

The traditional torpedo shape of the Borealis B10 candelabra lamp is the perfect alternative for all conventional candelabra lamps and general lighting needs in chandeliers, wall sconces, ceiling fans, and other decorative lighting fixtures. The patent pending Borealis B10 lamps are available in a classic clear and frosted finish and radiate a captivating light, instantly lending themselves well to standard lighting applications. The standard base and the look and feel of the Borealis B10, allows for incorporation into all compatible fixtures.

Features:

- 50,000 hours of continuous usage
- Lumen output corresponding to 15 watt incandescent lamps
- Designed to meet UL, CE, RoHS and Energy Star requirements
- Dimmable with Triac and Reverse-phase dimmers
- No EMI
- Direct AC Drive - No high frequency switching
- Patent pending

Specifications:

Correlated Color Temperature (CCT)	2700°K / 3000°K
Power Factor	0.93
Power Consumption	Less than 2W
Efficacy	50 LPW
Input Voltage	120V / 230V
Base	E12
CRI	85 – 90
Luminous Flux	100 lm typ.
